**Parents and Children**

---

Our **FAMILY FAITH FORMATION** sessions for **PARENTS AND CHILDREN** will meet approximately twice a month on Sunday mornings during the school year.

Our goal is to create an environment where parents and children of all ages can grow in faith together as they pray, play and learn together!

These sessions provide an opportunity for students from all grade levels to learn alongside their parents. Each session involves group activities as well as individual classroom experiences for the children. Parents will have some adult enrichment opportunities as well. There will be prayer, music, crafts, catechesis, and small group sharing as well as service projects. Support materials will be provided each month to enhance the family learning experience at home.
